Subject: Inquiry Regarding Frontend Web Developer Position – TechNova Solutions

Dear Mr. Smith,

I hope this email finds you well. My name is Esha, and I am writing to express my interest in the Frontend Web Developer position recently posted on the TechNova Solutions website. With hands-on experience in building and deploying full-stack web applications using React, Next.js and Tailwind CSS, I believe I could contribute meaningfully to your team.

I would like to kindly ask two questions regarding the hiring process:

1. If selected, would it be possible to conduct the interview online?
2. What would be the expected joining date for the selected candidate?

Thank you for your time and consideration. I look forward to your response and the opportunity to discuss my application further.

Best regards,

Faria Halim Esha

Frontend Web Developer | Computer Science & Engineering Student
